Taking it All

by Kevin Hahn

I never know what the garbage truck will take and what it will leave behind, so occasionally I take a chance, set it at the curb, and see what happens. Sometimes I end up having to make a special pick-up request and pay a small fee.

Last week's load was an eclectic mix of yard trash, broken chairs, and food trash heaped into a pile that almost obscured the cans. When I came home, I was shocked (and pleasantly surprised) that it was gone. All of it.

We don't have to hope, nor should we be surprised, that Jesus was willing to take ALL our sins that we laid at the foot of the cross. After all…

John declared it – "The next day he saw Jesus coming toward him, and said, 'Behold, the Lamb of God, who takes away the sin of the world!'" (Jn 1:29).

Peter preached it – "Repent therefore, and turn again, that your sins may be blotted out" (Acts 3:19).

Paul proclaimed it – "And you, who were dead in your trespasses and the uncircumcision of your flesh, God made alive together with him, having forgiven us all our trespasses, by canceling the record of debt that stood against us with its legal demands. This he set aside, nailing it to the cross" (Col 2:13-14).

Our sharing in his death accomplished it – "We know that our old self was crucified with him in order that the body of sin might be brought to nothing, so that we would no longer be enslaved to sin" (Rom 6:6).

Thank you, Lord, for being willing to take it ALL!

Sympathy

Steve Miles passed away last Friday. He had been in the hospital in Kingwood but was able to return home recently. Steve had returned to Michigan to be with two of his children there. He was in the hospital when he passed away because of kidney failure. There will be a memorial service in Michigan. He served two tours in Vietnam and will receive the military honors due him for his service.

From the Elders

The elders would like your feedback.

It has been suggested that the Sunday evening worship service start time be moved from 6pm to 5pm. Some feel there would be several advantages to doing so. Initial discussion amongst the elders has not resulted in any inclination toward either start time as preferable over the other. Accordingly, in considering whether to make such a change, we would very much like to hear from the members on any thoughts you have as to the potential start time adjustment.

To help us keep track we would very much appreciate your feedback in writing. Nothing extensive or formal is required. Just a simple note or email with your thoughts and name will be sufficient. Please provide your feedback by the end of July. We plan to consider this and make the decision as to whether to make the start time adjustment or not by the time school resumes for the fall semester.
